Compensation averages are rounded up to the nearest thousandth. This information is brought to you courtesy of Stephen James Associates, Inc. and CompAnalyst powered by Salary.com. Salary.com is a top-tier provider of Web-based human capital management products. The Job Analyzer is an interactive database of over 1900 up-to-date market compensation information. Job Analyzer is a report of a continual research study. **The data is intended to provide a reasonable range for typical cash compensation earned by the typical person working in that job and is not a reflection of total compensation.** The data used in researching and developing the pay levels shown in Job Analyzer includes organizations of all industries, of all sizes, and from all across the United States.
